This Patent Book **K.2832**
IN FILLING this Scrap Book NEVER paste in papers,
etc., close to binding. Leave at LEAST ONE-QUARTER
INCH from back of leaf.

To get a better result after pasting the paper or picture on
the leaves, STAND the book up on END, the leaves spread apart
so that the air can flow through and dry. This will prevent
MOULD, and the leaves will be less liable to wrinkle.
